

B.J.S. DENTAL COLLEGE, HOSPITAL & RESEARCH INSTITUTE

LUDHIANA (PUNJAB), INDIA

A CENTRE OF
EXCELLENCE
IN ORAL HEALTH &

EDUCATION

Founder

“ As children of God and blessed with all the material bounties, we are ordained to share it with our less fortunate brethren as a part of our debt to the world we live in. In a humble effort to meet this lofty goal, the humanitarian vision of establishing a Dental College, Hospital & Research Institute was conceptualized with dual objective. The first being, provision of superlative facilities for dental education and research in Punjab and second, extending international standard comprehensive dental health care to people. The institute incorporates state-of-the-art technology and employs the best professionals and academicians to make it an embodiment of service with commitment & compassion. Baba Jaswant Singh Ji Chairman I pray to 'Almighty' to strengthen this noble cause, which shall greatly enrich the lives of many needy patients and at the same time will nurture 'noble' career aspirations of generations to come ”

Baba Jaswant Singh Ji
Founder

The Baba Jaswant Singh Trust (Regd.), Ludhiana

The Baba Jaswant Singh Trust (Regd.), Ludhiana is a registered Non-Govt. Organization with its office at Nanaksar Complex, Samrala Bye Pass Chowk, Ludhiana (Punjab) and has been established with the overall objective of human welfare. Improvisation of health care facilities through progressive scientific/medical research projects and imparting medical/dental education has been high on the agenda of the Trust. However, in tune with the ethos of humanity, Trust has continuously been nursing the needy and deserving with free medical aid, medicines, clothes, etc., besides running community kitchen for all, in addition to the solace and spiritual guidance provided by the divine sermons of His Holiness Baba Jaswant Singh Ji. The Trust is engaged in several philanthropic and charitable activities since its inception

organizing health care camps for providing comprehensive health care services through community out-reach, patient care, education and research. Trust has also established a Sarai where free lodging, food and basic facilities are extended to the needy and deserving. In brief the sole motto of the trust is to foster human values and welfare with esteemed devotion. And to realize its mission in words & in deeds, Trust has established Baba Jaswant Singh Dental College, Hospital & Research Institute, a centre of excellence in health care and dental education, achieving new milestones under the agile & visionary guidance of Founder Chairman, His Holiness Baba Jaswant Singh Ji, aided by a council of eminent educationists, professionals & intellectuals.

Chairman _____

“ Baba Jaswant Singh Dental College, Hospital & Research Institute, functioning under the esteemed Baba Jaswant Singh Trust, has been a cornerstone in the field of dental education and oral healthcare services for over 25 years. The institution has consistently extended its expertise and compassionate care to the underprivileged and marginalized sections of society, ensuring access to essential dental treatment for those in need. Our college stands as a beacon of excellence, offering a comprehensive and rigorous learning environment that fosters both academic and clinical proficiency. We are deeply committed to nurturing skilled, ethical, and compassionate dental professionals who are equipped to meet the evolving demands of the healthcare sector. At the heart of our mission lies a relentless pursuit of quality education, continuous self-assessment, and progressive enhancement of our curriculum and infrastructure, all aimed at delivering the best possible outcomes for our students and the community we serve. ”

Dr. Baba Anhad Raj Singh Ji
Chairman

SHAPING FUTURES WITH **EXCELLENCE** IN **DENTAL EDUCATION**

Nestled in an 11-acre campus, Baba Jaswant Singh Dental College offers top-tier education, hands-on training, and world-class infrastructure to nurture tomorrow's dental leaders.

Commitment to Quality Education

1

Student-Centric Learning Environment

2

World-Class Campus & Facilities

3

Holistic Development Opportunities

4

Baba Jaswant Singh Dental College & Hospital stands as a beacon of excellence in dental education, dedicated to nurturing the next generation of dental professionals. With a yearly intake of 100 students, the institution blends academic rigor with real-world clinical exposure, ensuring graduates are skilled, confident, and committed to the pursuit of complete oral health. Spread across a sprawling 11-acre campus, the college is equipped with cutting-edge laboratories, a state-of-the-art dental hospital, advanced lecture halls, and a comprehensive library—creating a vibrant learning ecosystem. Emphasizing holistic development, the institute fosters strong ethical values, leadership, and hands-on experience through intensive student-patient-teacher interactions. The campus also features modern amenities including a cafeteria, auditorium, cyber café, bank, sports complex, and recreation center, offering students a dynamic and supportive environment. At BJS Dental College, education is more than academics—it's an inspiring journey that shapes futures, drives innovation, and empowers students to excel in the ever-evolving field of dentistry.

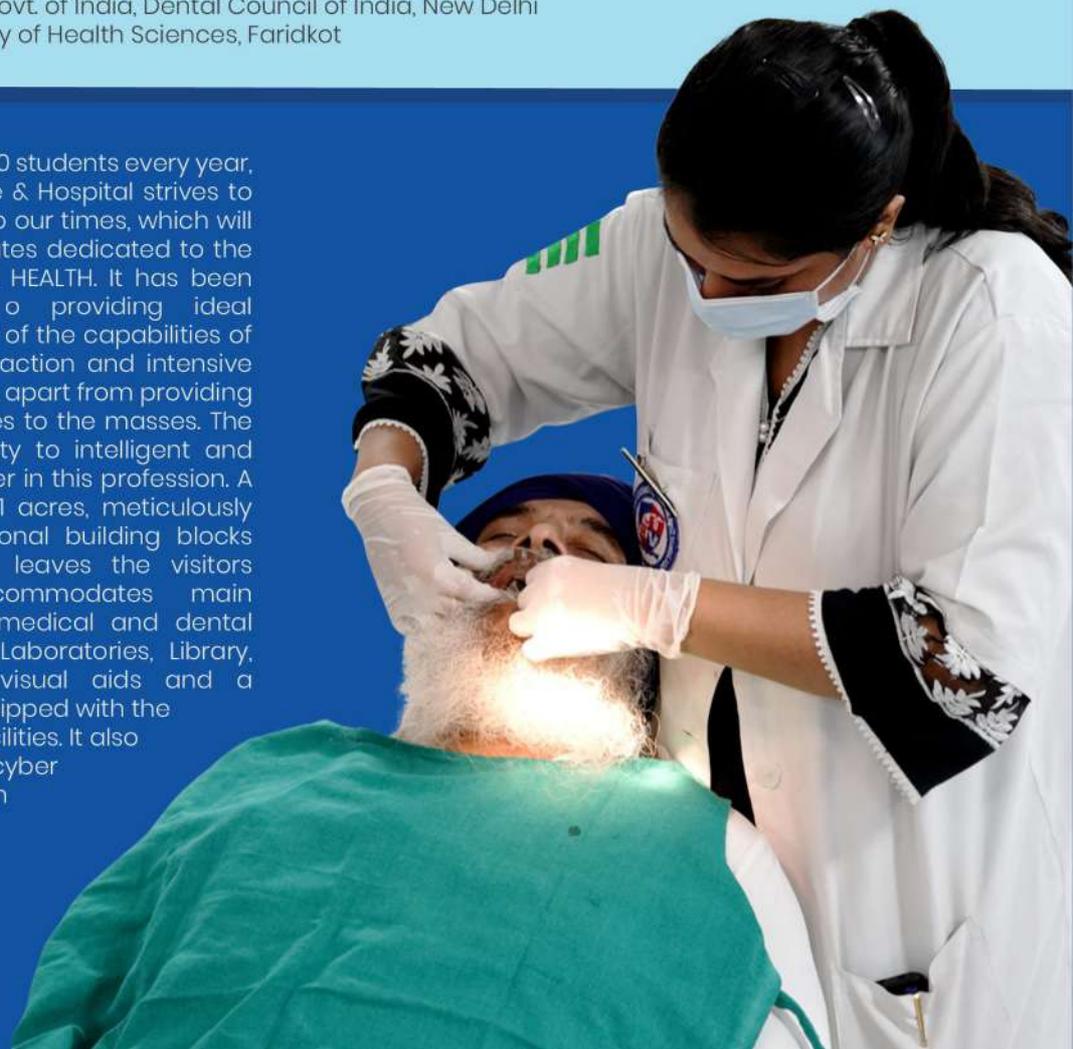

DENTAL COLLEGE, HOSPITAL & RESEARCH INSTITUTE

Established in 1998, Recognized by Govt. of India, Dental Council of India, New Delhi and Affiliated to Baba Farid University of Health Sciences, Faridkot

Enlisting an impressive strength of 100 students every year, Baba Jaswant Singh Dental College & Hospital strives to impart quality education, relevant to our times, which will produce committed Dental Graduates dedicated to the cause of attaining Complete ORAL HEALTH. It has been conceived with the purpose of providing ideal environment greater enhancement of the capabilities of students through information, interaction and intensive patients-students teachers contact, apart from providing excellent dental health care facilities to the masses. The institute is giving liberal opportunity to intelligent and deserving students to make a career in this profession. A sprawling campus of more than 11 acres, meticulously planned into a number of functional building blocks separated by lush green lawns, leaves the visitors spellbound. The campus accommodates main administrative block, pre-clinical, medical and dental departments with well equipped Laboratories, Library, Lecture halls with latest audio-visual aids and a state-of-the-art Dental Hospital equipped with the latest diagnostic and treatment facilities. It also houses cafeteria, auditorium, bank, cyber café, sports complex and recreation centre.

Equipments & Facilities

Baba Jaswant Singh Dental College & Hospital has latest, state-of-the-art equipment & facilities that include;

- About 350 (imported), well equipped Dental Units.
- Fully equipped clinical departments with latest treatment facilities
- Latest Diagnostic Facilities like Orthopantomogram (OPG), Radio Visio graphy (RVG), Intra Oral Camera & multiple X-Ray Machines.
- Fully functional Porcelain Lab for fixed prosthodontics and other restorative procedures.
- Dental Implantology Centre provides oral rehabilitation.
- Well equipped Major and Minor Operation Theaters with Ultra Modern Facilities for treatment of traumatic injuries, maxillofacial deformities, cysts and tumors of the oralcavity etc.
- In patient facility for Post Operative care & Recovery.
- Mobile Dental Van & Ambulance services

BDS Course

The Bachelor of Dental Surgery (BDS) course equips students for patient-centered dental practice, focusing on early detection, treatment, and prevention of oro-dental diseases. It fosters a spirit of inquiry and emphasizes clinical skills, modern treatment methods, and compassionate care. The curriculum blends theoretical learning with hands-on training in labs and clinics, following the guidelines of the Dental Council of India and Baba Farid University of Health Sciences.

The Faculty

Medical and dental education is guided by experienced professionals to ensure quality learning and healthcare training. Emphasis is placed on labs, clinical demos, discussions, and patient care. Regular workshops and seminars enhance the curriculum. Along with academics, the focus is also on instilling core human values in students to shape compassionate healthcare professionals.

Hostal

The college provides separate boys' and girls' hostels with spacious, well-furnished rooms and 24-hour electricity. Facilities include round-the-clock security, medical aid, internet, indoor games, gym, hot water in winter, and entertainment options. Each hostel has a hygienic mess offering a variety of tasty food. With all essential comforts, the hostels truly serve as a home away from home for students.

Library

The college has a well-stocked, air-conditioned library with sections for books, encyclopedias, journals, and magazines (Indian and foreign), along with CDs and videos. It offers photocopying services, computerized cataloging, and internet access to support students' academic needs. This comfortable and resource-rich environment encourages learning, research, and exploration, providing students with everything needed for effective study within a modern and organized setting.

Cultural Activities

The institution imparts academic proficiency while nurturing creativity through cultural activities. Students showcase talents and celebrate India's heritage through events like Lohri, Deepawali, annual functions, inter-college competitions, and youth festivals—fostering well-rounded personalities with academic and cultural awareness.

Sports

With the belief that a healthy mind resides in a healthy body, the college promotes overall personality development by emphasizing physical fitness and mental agility. Facilities are provided for indoor and outdoor games like table tennis, carrom, chess, badminton, football, cricket, volleyball, and basketball. The annual Sardar Jawala Singh Memorial Sports Meet encourages sportsmanship and motivates students through trophies, medals, and certificates awarded to the winners.

Laboratories

The college has well-equipped laboratories offering hands-on training in dental and medical fields. Designed to meet academic standards and safety norms, the labs support learning through experiments and simulations. Updated equipment and expert guidance help students bridge the gap between theory and practice.

Transportation

The college provides two air-conditioned, luxury buses to ensure comfortable and reliable transportation for students, faculty, and staff. These buses are well-maintained and equipped with modern amenities for a pleasant commute. They operate on fixed routes, covering key locations in the city. This service helps reduce travel stress and supports timely attendance.

SPECIALIZED

DENTAL TRAINING

1

- Correction of malocclusion and other anomalies of the dento-facial region.

MEDICAL TOURISM

Medical tourism combines healthcare with travel, allowing patients to access quality treatment at lower costs abroad. India is a leading destination, offering advanced care, skilled professionals, and a welcoming recovery environment for everything from dental procedures to major surgeries.

FEATURED TREATMENTS

IMPLANTS

Dental implants provide a strong, lasting solution for missing teeth. Our expert team uses advanced techniques to restore function and aesthetics, ensuring a natural look and secure fit for confident smiles.

FULL-MOUTH REHABILITATION

Full-mouth rehabilitation combines multiple dental treatments to restore function, health, and aesthetics of your entire mouth. Ideal for patients with worn, damaged, or missing teeth, our expert team creates a personalized plan using advanced technology for a complete, confident smile transformation.

COSMETIC DENTISTRY

Rediscover your best smile with advanced cosmetic treatments like whitening, veneers, and reshaping—designed to enhance facial harmony and elevate your confidence.

KEY BENEFITS OF DENTAL TOURISM

- Cost savings vs. home country

Receive world-class dental care at a fraction of the cost compared to treatments in countries like the U.S., U.K., or Australia—without compromising on quality. At Baba Jaswant Singh Dental College & Hospital, you benefit from advanced procedures, expert specialists, and modern facilities at significantly lower prices, making your treatment not only affordable but also exceptional in value.

- Access to top specialists & cutting-edge technology

Get treated by highly qualified dental experts who bring years of experience and international exposure. Our hospital is equipped with state-of-the-art technology, including digital imaging, advanced diagnostic tools, and modern treatment techniques. This ensures precision, safety, and optimal outcomes, offering you care that meets or exceeds global standards.

- Combined vacation experience

Turn your dental visit into a rejuvenating getaway. Alongside world-class dental treatment, enjoy the vibrant culture, cuisine, and scenic beauty of Punjab. Our location offers the perfect blend of healthcare and holiday, giving you the chance to recover while exploring local heritage, wellness retreats, and serene surroundings—all in one seamless, relaxing experience.

WHY CHOOSE US

At Baba Jaswant Singh Dental College, we blend academic excellence with cutting-edge clinical training to shape the dental professionals of tomorrow. Our institution is backed by world-class infrastructure, experienced faculty, and a fully equipped dental hospital offering hands-on learning in real-time clinical settings. We prioritize patient-centered care, ethical practice, and innovation in every aspect of education. Whether you're a student aspiring for a bright career or an international patient seeking expert dental treatment, our commitment to quality, compassion, and integrity sets us apart.

ALL-INCLUSIVE PACKAGES

Choose from our Silver, Gold, and Platinum tiers—each offering complete care including treatment, airport transfers, accommodation, interpreter support, and post-op check-ups for a seamless experience.

PATIENT JOURNEY / PROCESS

- Virtual consultation & treatment plan
- Travel & arrival assistance
- In-clinic treatment days
- Recovery & follow-up

DESTINATION HIGHLIGHTS

Located in the culturally rich and vibrant state of Punjab, our campus offers more than just exceptional dental care. Visitors can explore the historic city of Ludhiana, known for its warm hospitality, traditional cuisine, and colorful festivals. Nearby attractions include Golden Temple (Amritsar), Punjab Agricultural University Museum, and local markets offering authentic Indian crafts. Whether you're here for treatment or accompanying a loved one, the region promises a memorable blend of heritage, comfort, and discovery, making your stay truly worthwhile.

SAFETY & QUALITY ASSURANCE

We prioritize your safety through rigorous sterilization protocols that meet global healthcare standards, ensuring a completely hygienic and secure treatment environment. Our team includes multilingual staff, making communication smooth and stress-free for international patients. In addition, we maintain a robust emergency response system and medical backup to handle any unforeseen situations promptly and effectively. From your first consultation to your final check-up, we are dedicated to delivering care that is not only high-quality but also safe, reliable, and patient-friendly.
